

A Bowl and A Pudding

Wilco

Not saying anything
Says a lot
I still see your face
When you look away

I can tell
I can tell
I can tell
How long this night is gonna be

And the one
You love
Is not me

Not saying anything
Says enough
I know what you're thinking
When you walk away

I can tell
I can tell
I can tell
How long this night is gonna be

And the one
You love
Is not me
