

## Burned

Wilco

I've been burned  
And with both feet on the ground  
I've learned  
That it's painful coming down

There's no use running away  
And there's no time left to say  
Now I'm finding out that it's so confusing  
No time left and I know I'm losing

Flashed  
And I feel like I'm falling down  
Crashed  
And my ears can't hear a sound

There's no use running away  
And there's no time left to say  
Now I'm finding out that it's so confusing  
No time left and I know I'm losing

Now I'm finding out that it's so confusing  
No time left and I know I'm losing

Burned  
And with both feet on the ground  
I've learned  
That it's painful coming down

There's no use running away  
And there's no time left to say  
Now I'm finding out that it's so confusing  
No time left and I know I'm losing
