

# Darkness is Cheap

Wilco

Look at this guitar  
I could tear it apart  
Leave it like a heart  
Crying for more

High on a cloud  
High on a cloud  
High on a cloud  
Where you are

A canyon is not deep  
Until, falls asleep  
Darkness is cheap  
Oh, I know

High on a cloud  
High on a cloud  
High on a cloud  
Where you are
