

Don't You Honey Me

Wilco

Don't you honey me, honey bee
A good time I'll set you free
Don't be too nice, too nice to me
I've been stung and I've grown mean

Honestly, I know what you want
And I can't satisfy you
Honestly, it hurts me too
And I don't wanna ever make you blue
Make you blue
I don't wanna make you blue

Don't sit next to me in a tree
K-I-S-S-I-N-G
Who's that bouncing on your knee?
Could it be my baby bumble bee?
Who's that bouncing on your knee?
Give me back my baby bumble bee

Honestly, I know what you need
I just wanna be true
I love you, too
And I can always make you blue
Make you blue
I don't wanna make you blue

I don't wanna make you blue
I don't wanna make you blue
