

# Hot Sun

Wilco

Hey, hey  
Hot sun shines so loud  
Hot sun  
Cool shroud  
Hot sun  
Hot sun shines so loud  
Hot sun

Hey, hey  
Hot sun, I can hear it  
Hot sun  
What's the word I want?  
Hey, hey  
Hot sun, I can hear it  
Hot sun  
Hissing like a flare

Ice  
Glassy ice  
Tumble in my plastic glass  
Shouldn't I be doing something?  
What can I do?  
What can I do?

Hey, hey  
Hot sun shines so loud  
Hot sun  
Cool shroud  
Hot sun  
Mountains melting down  
Sweet doubt  
Hot sun

Ice  
Glassy ice  
Tumble in my plastic glass  
Shouldn't I be doing something?  
What can I do?  
What can I do?

Why  
Passers-by  
Mumble something  
I just can't grasp  
Can't bring myself to ask  
What can I do?  
What can I do?
