

## Unlikely Japan

Wilco

Impossible Germany  
Unlikely Japan  
Wherever we go  
Wherever we land

I can't say what this means to me  
I don't begin to understand  
I know you're not listening  
Impossible Germany  
Unlikely Japan

Handheld recorders monotone  
Your peach-colored pay phone  
Connected to you

I can't say what this means to me  
I don't begin to understand  
I know you're not listening  
Impossible Germany  
Unlikely Japan

I don't know why she talks so tough  
A roller skate would suggest her enough

I can't say what this means to me  
I don't begin to understand  
I know you're not listening  
Impossible Germany  
Unlikely Japan

I can't say what this means to me  
I don't begin to understand  
I know you're not listening  
Impossible Germany  
Unlikely Japan
