

Hey, yeah  
Got to have all your love  
Both night and day, yeah  
Yes, I do  
Said, not just a little part  
But all of your heart  
Come on, baby, let me tell you

Ninety-nine and one half just won't do it (Just a little bit)  
No, I got to have a hundred (Just a little bit)  
Hey, got to have a hundred (Just a little bit)  
Yeah, got to have a hundred (Just a little bit)  
Listen, baby

Don't be led in the wrong direction, no, hey  
Start the thing, a man need a little love and affection  
You know I got to tell you

Ninety-nine and a half just won't do it (Just a little bit)  
No, I got to have a hundred (Just a little bit)  
Hey, got to have a hundred (Just a little bit)  
Oh, got to have a hundred (Just a little bit)

We got to bring it all down  
And start livin' right  
Hey, babe, stop messin' around  
And gettin' things uptight  
You know you got to realize

Ninety-nine and a half just won't do it (Just a little bit)  
No, I got to have a hundred (Just a little bit)  
Hey, got to have a hundred (Just a little bit)  
Oh, baby, got to have a hundred (Just a little bit)  
Listen to me now

Hey, just won't do it (Just a little bit)  
Oh, got to have a hundred (Just a little bit)  
Hey, ninety-nine and a half won't do it (Just a little bit)  
Oh, baby, got to have a hundred (Just a little bit)  
Say, I gotta have  
Ninety-nine and a half won't do it (Just a little bit)  
Got to have a hundred (Just a little bit)  
Oh, ninety-nine and a half won't do it (Just a little bit)  
Say, I gotta have a hundred (Just a little bit)
