

I said I'd call you but I won't  
I said I'd miss you but I don't  
You promised me we'd last forever

You said I'd regret it when I walk  
Said I'd be lonely but I'm not  
I guess it's good we're not together

I don't mean to make a fuss  
Wait, I changed my mind again  
Tell me you're unhappy  
And I don't mean to call  
Just don't forget me

I guess I could've been a better babe  
Yes I should've been a better babe  
For anyone else  
Anyone else but me  
You said I should've been a better babe  
And you can go and be a better babe  
For anyone else  
Anyone else but me

I guess I'm lonely late at night  
You want the truth I'll be alright  
We treat each other like we're strangers

You found another in your life  
It wasn't worth a fucking fight  
But if she loves you I can't blame her

I don't mean to make a fuss  
Wait, I changed my mind again  
Tell me you're unhappy  
And I don't mean to call  
Just don't forget me

I guess I could've been a better babe  
Yes I should've been a better babe  
For anyone else  
Anyone else but me  
You said I should've been a better babe  
And you can go and be a better babe  
For anyone else  
Anyone else but me
