

Declaration

Wild Orchid

If I told you once
I've told you a thousand times
But you never listen to me

I just wanna be free
to live my life
I don't want your thoughts
Or your opinions about me

You think you tell me what I wanna know
But I only listen
To what I need to hear

So much drama I don't understand
How you make nothing
Sound so sincere
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be baby
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be baby

You're always trying to tell me
Where I can go
Or who it is that I can socialize with, baby

But as long as I don't hurt no one
Or break no laws
You're best to know

I won't put up with it
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be baby
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be baby
