Do Right

Wild Rivers

We took a damn long drive
You were singing death cab
While I harmonized
Your chest can fall and rise
Moving like a needle drop
On my 45

But I don't wanna go
I don't wanna play dead yet
I've had moments
Faked a smile the moment I forget it
Walk a tight rope
Though we're standing three feet off the ground
You should keep close
Cause we might just make it through the night
Putting up a fight
We could do right

And now at such great heights
I'm not looking down
I won't split
With every bark and every bite
We could go another round
Or we could call it quits

I don't wanna go
I don't wanna play dead yet
I've had moments
Faked a smile the moment I forget it
Walk a tight rope
But we're standing three feet off the ground
You should keep close
Cause we might just make it through the night
We're putting up a fight
We could do right

We could do right
Do right

Do-do-do-do
We could do right
Do-do-do-do
We could do right
Do-do-do-do
We could do right
Do-do-do-do
We could do right

(I don't wanna go)

Do-do-do-do
We could do right…

(I don't wanna go)

I don't wanna go
I don't wanna play dead yet

I've had moments
Faked a smile the moment I forget it
Walk a tight rope
But we're standing three feet off the ground
You should keep close
Cause we might just make it through the night
Putting up a fight
We could do right
