

Hardly Ever

Wild Rivers

I wake up every morning in my own bed
I water all the plants and pay the whole rent
But it's fine, and I know that I'm better off without you

Oh, I'll keep repeating it until it comes true

I don't ever
I don't ever hardly ever really think about you no more
It's for the better
For the better if I don't remember holding you like before
But in the middle of the night I can still see you vivid
One little slip and now I gotta relive it
Oh, but I don't ever
I don't ever hardly ever really think about you no more
Think about you no more

It's only when it's 2 AM and time to go home
Or my phone's gotta remind me what we did today a year ago
We drank wine, making pad thai, now I wouldn't even want to

Oh, I'll keep repeating it until it comes true like

I don't ever
I don't ever hardly ever really think about you no more
It's for the better
For the better if I don't remember holding you like before
But in the middle of the night I can still see you vivid
One little slip and now I gotta relive it
Oh, but I don't ever
I don't ever hardly ever really think about you no more
Think about you no more

I don't think about you

I don't ever
I don't ever hardly ever, no
I don't ever
I don't ever hardly ever, no
I don't ever
I don't ever hardly ever, no
I don't ever
I don't ever

But in the middle of the night I can still see you vivid
One little slip and now I gotta relive it
Oh, but I don't ever
I don't ever hardly ever, no
I don't ever
I don't ever, no, hardly ever, no
I don't ever
I don't ever, hardly ever
Think about you no more
Think about you no more
