

## Left Off

Wild Rivers

Livin' on the run we played the record out  
When the song got done and I came home  
I drove out just to get you right  
I came up on the coldest night

And you said somethin'  
Maybe I could shake this up  
If I cut this out  
Well I got nothin'  
I think we said it all so much  
We wore it out  
So I guess I can see where we left  
Left off

Maybe it's a talk that we've been puttin' off  
So before I left I made the bed  
Packed up my bags and my old guitar  
You came out and scraped off my car

And you said somethin'  
Maybe I could shake this up  
If I cut the sound  
Well I got nothin'  
I think we said it all so nice  
We rolled it out  
Now it's harder to see what comes next  
Promised that it's all for the best  
And I guess I don't know where we left  
Left off  
Left off  
Left off  
Left off

Left off  
Left off  
Left off  
Left off  
Left off  
Left off  
Left off  
Left off
