

# Take Some Time

Wilderado

Take some time to get it off your chest  
Yeah, take it and give it a rest  
You and I, we're just doing our best  
But we make it into a mess

Ah-ah  
We looking for the other side  
Ah-ah, ah-ah-ah-ah  
We looking for the other side

Need to know, getting off on time  
I need to know when I'm on your mind  
And you were the one, you were the yield  
I was the man looking over the fields  
Give me an hour at the edge of my faith  
All the way beyond my case  
Well I love what you've done, love what you do  
You were the man but

I-i  
We looking for the other side  
Ah-ah, ah-ah-ah-ah  
We looking for the other side  
Gone up, around

Give me a chance, doing myself  
Give me a chance, down from the shelf

Ah-ah, ah-ah-ah-ah-ah-ah  
Ah-ah-ah-ah-ah  
And you were the one, you were the yield  
I was the man below the field  
Ah-ah, ah-ah-ah-ah-ah-ah  
Ah-ah-ah-ah-ah  
Say what you want, say what you need  
Over the heart, ah-ah-ah-ah-ah  
Ah-ah, ah-ah-ah-ah-ah-ah  
We looking for the (ah-ah-ah-ah-ah) other side

Ah-ah, ah-ah-ah-ah  
We looking for the other side

Ah-ah  
We looking for the other side  
(And you were the one, you were the yield  
I was the man looking over the fields)  
Ah-ah, ah-ah-ah-ah  
We looking for the other side  
(Say what you want, say what you need  
Over the heart, ah-ah-ah-ah-ah)
