

Comfort Zone

Wildways

My worst enemy is my memory
Memory, my memory
Why are you always calling me
Calling me, calling me?
Your voice is my favorite sound
I fell in love
Your voice is my favorite sound
I fell in love, I fell in love

Don't mind me, I'm alone, alone
Don't mind me, I'm in my comfort zone
Don't mind me, I'm alone, alone
Don't mind me, I'm alone, alone
Don't mind me, I'm alone, alone
Don't mind me, I'm in my comfort zone
Don't mind me, I'm alone
Don't mind me, I'm alone

I'll come to you unless it's too late
Too late, is it too late?
I'll be on time so you don't have to wait
You don't have to wait, it's not too late
Everywhere we go, everybody's watching us
"You belong together," everybody says to us
And I still don't know what is there to stop us?
What is there to stop us?
Your voice is my favorite sound
I fell in love, I fell in love

Don't mind me, I'm alone, alone
Don't mind me, I'm in my comfort zone
Don't mind me, I'm alone, alone
Don't mind me, I'm alone, alone
Don't mind me, I'm alone, alone
Don't mind me, I'm in my comfort zone
Don't mind me, I'm alone
Don't mind me, I'm alone

Your voice is my favorite sound
I fell in love

Don't mind me, I'm alone, alone
Don't mind me, I'm in my comfort zone
Don't mind me, I'm alone, alone
Don't mind me, I'm alone, alone
Don't mind me, I'm alone, alone
Don't mind me, I'm in my comfort zone
Don't mind me, I'm alone
Don't mind me, I'm alone

Your voice is my favorite sound
I fell in love, I fell in love
Your voice is my favorite sound
I fell in love, I fell in love
