

# Don't Go

Wildways

It's so hard to believe there are thousands of miles between  
It's so hard to believe that you still wait for me  
Now I find myself at the end of the earth  
I'll take it back for what it's worth  
Look in the mirror, no ones there  
It's too late to say sorry

Don't go oh oh cause I'm coming back coming back

Don't you know you're a heart attack a heart attack  
I can feel at home  
(When I'm so far from home)  
I can feel at home  
(When I'm so far from home)

If you thought your world was crashing down before

A gentleman walks in and grabs the door

When I open arms to hold the ground  
I don't know if I will be safe and sound  
And when I open arms to hold the ground  
I get back I will be safe and sound  
Hold on to it  
We won't be servants of time  
We wanna feel it all  
Hold on to it  
We wanna feel alive, it makes us feel alive

Don't go oh oh cause I'm coming back coming back

Don't you know you're a heart attack a heart attack  
I can feel at home  
(When I'm so far from home)  
I can feel at home  
(When I'm so far from home)

Когда сердце внутри  
Бьётся ровно в такт  
Я пробегаю сквозь ветер  
Когда сердце внутри  
Бьётся ровно в такт  
Я пробегаю сквозь ветер
