

# Jealousy

Wildways

I found myself on the graveyard  
My whole life, I'm living for you, I know that this is Anna

Anna-na, Anna-na  
What's wrong with you?  
Anna-na, Anna-na  
Will you follow through?

It's always Anna  
It's always Anna instead of me

I found myself in a wasteland  
Did I live my whole life for this? I know that this is Anna  
I'm bound when you stand behind me  
There's nothing I won't do, you're my perfect seeing

Anna-na, Anna-na  
What's wrong with you?  
Anna-na, Anna-na  
Will you follow through?

It's always Anna  
It's always Anna instead of me  
Знаю, ты лучше меня  
It's always Anna instead of me, instead of me

Чем дальше ты в горизонте  
Тем больше места занимаешь в сердце  
Я отпустил тебя вроде  
Но не далеко  
Кем станешь ты в мемуарах?  
Всей жизнью или мимолетным видением?  
Ты для меня кем-то стала  
Мне не всё равно, всё равно

It's always Anna  
It's always Anna instead of me  
Знаю ты лучше меня  
It's always Anna instead of me, jealousy
