You ain't got nothing to prove  
They ain't got nothing on you, you  
When you look into my eyes  
Not a ting gon' maximize  
Love it when we improvise-ise  
See the way you ride in the bassline  
Better put your hands on my waistline  
Know the body bad, it's a big crime  
See the way you ride in the bassline  
Better put your hands on my waistline  
You know the body bad, it's a big crime
