

She was looking peng, I was on the ends with my friends  
But I stepped into the zone she was in  
She asked me what I do, I said "all I do is win"  
I really wanna show you, like, everywhere I've been  
Becuh life is a journey, must travel well  
And I get the feeling you're a must-travel girl  
Fireworks spark when I look into your eyes  
You can see the fire when you're looking into mine, yeah

Boy, you don't know what you've started  
Cupid's taking shots at me  
Was never meant to be the target  
Just one hit and you've got me

Who would have, who would have thought  
You'd make my body talk?  
Give me the fire I want  
Hotter than going to the sun  
Boy, you dangerous  
Oh, yeah, yeah  
You so dangerous  
Oh, yeah, yeah, oh

Crash in the middle of love  
So save me  
Crash in the middle of love  
Just take these  
Feelings I've been holding back  
Like the emotion cardiac  
Crash in the middle of love  
So save me

Hottest gyal around here, and Zizzi's? It ain't gonna do it  
She wanna fly west, she wanna dine West  
And I'm copping that treasure chest, dressing my best  
Look at all this food that I've gotta digest  
She was looking at me like she loves me bad  
Then I put my arms around her and she hugs me back  
I'm in the area, feeling kind of local  
When I finish work then I'm gonna get the phone call, ayy

Oh, boy, you know how long I've waited  
Me and my heart was standing still  
But I'm so glad that I was patient  
Now you're here, wouldn't change it

Who would have, who would have thought  
You'd make my body talk?  
Give me the fire I want  
Hotter than going to the sun  
Boy, you dangerous  
Oh, yeah, yeah  
You so dangerous  
Oh, yeah, yeah, oh

Crash in the middle of love  
So save me

Crash in the middle of love  
Just take these  
Feelings I've been holding back  
Like the emotion cardiac  
Crash in the middle of love  
So save me

I want a little of (you)  
Crash in the middle of (you)  
I want a little of (you)  
Ooh...  
I want a little of (you)  
Crash in the middle of (you)  
I want a little of (you)  
Ooh...

Ayy, you know I've got you, baby  
I've got you, baby  
Anything you wanna do  
I wouldn't stop you, baby  
And there's certain situations  
That we've got through lately  
Communicate  
Nuttin' cyaan stop you, lady, we've been  
Honeymooning  
For longer than two weeks  
Copping whips  
And they only got two seats  
She's a G  
The way she keep it all fresh  
She's the best, she's the best  
Yes
