

## Don't Answer

Wiley

Boy, I swore the last time, it would be the last time  
But I'm still here messin' with ya  
Now it's 4AM, I really need your love  
And you know what I mean, babe

Only text you when I'm lonely, lonely  
'Cause you're giving me the sweet taste, the sweet taste  
I admit that you the baddest, baddest  
Gon' be trouble if I call ya, call ya, call ya, ya, ya

So don't answer, babe  
Don't answer, babe  
Don't, I, I, I  
Yeah, don't answer, babe  
Don't answer, babe  
Don't

Boy learned from my body like it's education  
Waiting for your love all day  
Make the rain come down like a waterfall, yeah  
And you know what I mean, babe

Only text you when I'm lonely, lonely  
'Cause you're giving me the sweet taste, the sweet taste  
I admit that you the baddest, baddest  
Gon' be trouble if I call ya, call ya, call ya, ya, ya

So don't answer, babe  
Don't answer, babe  
Don't, I, I, I  
Yeah, don't answer, babe  
Don't answer, babe  
Don't, woo

So don't answer, babe  
Don't answer, babe  
Don't, I, I, I  
Yeah, don't answer, babe  
Don't answer, babe  
Don't

You're tellin' me not to answer  
When you want me to answer  
If you call me up, wanting me  
Nine out of ten, I'm gonna answer  
She got a life, yeah  
But she didn't call me after work  
When she wanna call me late at night, yeah  
Told her it's cool, it's alright, yeah  
I think she's addicted  
Real life, this couldn't be scripted  
She feel low, she come and feel lifted  
It was me but now the lust shifted  
She on point, I swear she gifted  
On my life, calls me at the right, oh Lord  
When I give her the sexual healing  
She hit the climax, no chords

So don't answer, babe  
Don't answer, babe  
Don't, I, I, I  
Yeah, don't answer, babe  
Don't answer, babe  
Don't, woo

So don't answer, babe  
Don't answer, babe  
Don't, I, I, I  
Yeah, don't answer, babe  
Don't answer, babe  
Don't
