

# Eskiboy Intro

Wiley

Straight from one booth to another booth  
Eskiboy  
(Wait)  
Oi people!  
This is Tunnel Vision, Volume Two  
Man's back in it, Boy Better Know  
Big up Jamie, big up Skepta  
Big up all the Roll Deep massive, hold tight Trim, Scratchy  
Hold tight Danny Wizzle  
Big up Target  
Hold tight all the presenters  
I wanna big up all my studio engineers you know  
Big up MSM, hold tight Scratcha  
Hold tight all the £10 an hour massive  
£20 an hour massive  
£30 an hour massive for certain guys  
Cah you know it ranges  
Big up God's Gift  
And right now, I'm just back to tell you  
Man's back with the next big CD innit  
Like there's no sleeping involved  
It's like Volume One, Volume Two, Volume Three  
Man ain't wasting time trust me  
Hold tight all the record labels I know you see me  
I know you see me  
It's not hard to see me when I'm doing so much work trust me  
Hold tight my daughter Leah, cause you know it's all for you  
Hold tight my family  
Right now it's Eskiboy, Tunnel Vision Volume Two  
And right now we've just come to lay down the law like  
Let man know that, the levels are up, the levels are high  
I heard one yute the other day say like  
"Wiley said the levels are going up", the levels are going up

You see most of the time I can do it on my own  
And a record deal but that ain't nuttin' but a loan  
Try and do it alone until you're worth more  
I watch all of you on Channel U at home  
I know I've got to do a new video  
Gangsters video, bring the title back home  
I'm roaming on Roman Road I'm not alone  
With 54 sharks we'll, send you home  
I've got mic control I'm not like the whole  
Batch of weak MCs around on the roads  
I'm a wizard got a reptile back like a lizard  
[?] the felt the blizzard in the war  
I delivered, Eskiboy ain't no [?]  
Put my flow to the test  
Look at the levels now blud  
I have just risen, and I'm on a mission  
You won't ever catch me slippin'

Tunnel Vision, Volume Two  
Eskiboy  
Big up Jme for this beat cah you're shower  
Yo  
Hey

Hey
