

# FIREMAN

Wiley

Fireman, fireman, fireman  
When you see the flames on the diagram  
Fireman, fireman, fireman  
Have fi build a house, have fi buy a land

5 star unuh 1 star  
For me to get it popping, it's a one spark  
I'm a man who's getting up from when the sun starts  
I'm on every stage, don't you know I run parks?  
Every day I'm stacking money though, it's light work  
I don't even wanna know how much my life's worth  
Even though I fly around you know I like Earth  
Manna brothers now but we had to fight first

Fireman, fireman, fireman  
When you see the flames on the diagram  
Fireman, fireman, fireman  
Have fi build a house, have fi buy a land

Bare vibes unuh one vibes  
For me to my job I need a one mind  
Go and spend a couple Euro on a one grind  
See the come up, you can only do it one time  
Every day you see me thinking it's a new plan  
I'm a trackie and a drippy and a suit man  
I've been chatting on a riddim from a yout man  
Big up Mucky on the riddim it's the flute gang

Fireman, fireman, fireman  
When you see the flames on the diagram  
Fireman, fireman, fireman  
Have fi build a house, have fi buy a land

Ay, two waves unuh one wave  
For me to leave my yard I need a runway  
Bro I never ever rest up on a Sunday  
It's just another day I treat it like a Monday  
Every day I do a riddim I can finish off  
And then I go and shoot the vids when it's finish off  
Thinking about it God, he loves to try a man  
I orginate the spark, I'm a fireman

Fireman, fireman, fireman  
When you see the flames on the diagram  
Fireman, fireman, fireman  
Have fi build a house, have fi buy a land
