This looks like a set up here
You wanna act brand new when you get up there, yeah
Try step up here, you wanna flip tables
I wanna wreck up chairs, yeah
This looks like a set up here
You wanna act brand new when you get up there, yeah
Try step up here, you wanna flip tables
I wanna wreck up chairs

I can't take any talk from any one man
'Cause I'm a don, you can ask Flowdan
I'm too heavy, can't be a part of the plan
In this ting here brudda, I'm a first dan
I come from Planet Phatt like Tubby and Sam
Bang, niggas wanna jack my slang
And, niggas wanna control the uncontrollable
But I'm a rebellious man
In a room full of fakes, I promise you bro I can not stand
It's Wiley, the one man band
The life I'm living, it weren't planned
But I can't fault it, I brought a couple man
Man got paid millions, got paid grands
I was on the pitch when you was in the stands
Raising the roof off, blazing zoots
And my bruddas got crates not a couple of cans
I told them before, I'm the slim of slims
Roll on my own, I'm the king of kings
I took a few L's but I'm still the king of wins
I know you don't like me the way you bring up things
You can't test me before you flip up things
Remember, I'm the one to come and kick up things
Top shotta MC the way I pick up things
I shake London up the way I stick up things

I bust these bruddas
Now I can't trust these bruddas
They've run out of luck these bruddas
Step to the challenge, I won't duck these bruddas
I bust these bruddas
Now I can't trust these bruddas
They've run out of luck these bruddas
Step to the challenge, I won't duck these bruddas
You're not a killer, you're a table flipper

Boy in the corner, grime scene quitter
I will slap you in the head with one with one slipper
I will slap you in the head with two slipper
You're not a killer, you're a table flipper
Boy in the corner a grime scene quitter
I will slap you in the head with one slipper
I will slap you in the head with like-

Wiley shut up, but I can't shut up
You act like a paigon, the whole crew fuck up
Whole crew fuck up, but I don't fuck up
I will never follow this boy 'cah he's stuck up
Wiley shut up, but I can't shut up
You act like a paigon, the whole crew fuck up
Whole crew fuck up-
The whole crew fuck up, but I don't fuck up
Had a slight shot, now my eye dere's fuck up
Bruddas wanna hide to your cheeks, then pop up
Don't know how you're gonna get your luck up
Because anytime I say your brudda whole place fuck up
Had a slight shot, now my eye dere's fuck up
Bruddas wanna hide to your cheeks, then pop up
Don't know how you're gonna get your luck up
Because anytime I say your brudda whole place fuck up
Yo, you can't ever be where I'll be
But you see the same vision that I see
You make my bros tip-toe around me
But you can't flip any tables around me
You can't ever go where I'll be
But you see the same vision that I see
You make my bros tip-toe around me
You can't flip any tables around me
You see the energy you're looking for is here brudda
I know you see it in my eyeballs clear brudda
You know it's running through my veins, I'm rare brudda
I don't care brudda, I stand here brudda
You see the energy you're looking for is here brudda
I know you see it in my eyeballs clear brudda
You know it's running through my veins, I'm rare brudda
I don't care brudda, I stand here brudda
I'm like-

This looks like a set up here
You wanna act brand new when you get up there, yeah
Try step up here, you wanna flip tables
You wanna wreck up chairs, yeah
This looks like a set up here
You wanna act brand new when you get up there, yeah
Try step up here, you wanna flip tables
I wanna wreck up chairs, yeah

On a level it's a new day
So I get ready to go and give 'em a new flake
True say I know the game so well
Gotta use what I've learnt today, because there's new ways
I'm a student, always learning
I've gotta go and keep the fire burning
Me and my team gotta keep the lights on
Man a icon, I told them
I'm the step-man, can't forget fam
I spray up both of you like a vet fam
Don't worry my G's I've got a next plan
I do the barring, I'm the step-man

I'm the step-man, can't forget fam
I spray up both of you like a vet fam
Don't worry my G's I've got a next plan
I do the barring, I'm the step-man
