

He Ain't The One

Wiley

Yeah
Eskiboy
Woo
It's the 2nd Phaze (2nd Phaze)
Yeah, yeah
I suppose...
I suppose that...
I suppose that you...
Yo
He ain't the one, nah
They always question (Is he the one? Is he? Is he?), he ain't the one, nah
Yeah (Yo)
Eskiboy (Eskiboy)
Yo, yo

I suppose you think oracle is wrong (He ain't the one, nah)
Things just happen to him all the time (He ain't the one, nah)
It's true, he walked out on XL
They had him second to Dizzee, he didn't like it
All that indirect, chatter
I suppose you think that Eskiboy ain't the one (He ain't the one, nah)
If only I could show you but I can't (He ain't the one, nah)
The day will surely come and you will understand who he is
You don't believe he is, just watch him prove him wrong
I suppose I'm gonna have to start a label (He ain't the one, nah)
It's time to put my paper on the label (He ain't the one, nah)
Igloo Recordings I'm gonna do it
Master P way, it's better, more leeway
Laid back E3 way
I suppose the pressure's on (He ain't the one, nah)
You can feel the power in his songs (He ain't the one, nah)
People on the streets know the deal
They're just waiting for the 2nd Phaze to drop
Trust me the 2nd Phaze will drop (Yeah)

Eskiboy
Yo
I suppose it just wasn't meant to be (He ain't the one, nah)
He's the only one who doesn't seem to care (He ain't the one, nah)
Wiley turning up to things is rare
He knows he has to be somewhere but he don't care, I saw him sitting on the block
I suppose you got the wrong end of the stick (He ain't the one, nah)
Just 'cause you seen the boy slip (He ain't the one, nah)
Nobody can't make me do shit, he ain't the one nah
Check his attitude, 'cause his attitude stinks
I suppose you need dough to get by (He ain't the one, nah)
You might catch me looking in the sky (He ain't the one, nah)
I'm not blind, I know the world is a lie (He ain't the one, nah)
It's mad how one survives on pies (He ain't the one, nah)
I suppose I should've done this from before (He ain't the one, nah)
He had it locked, he couldn't even see the floor (He ain't the one, nah)
I guess you witness the power when he's on tour (He ain't the one, nah)
I've never been nothing but so sure, that he's the one
I'm the one
