

# Play With Fire

Wiley

I never, me come for bad  
I've come to play with fire  
I never, me come for bad  
I've come to play with fire  
I never, me come for bad  
I've come to play with fire  
I never, me come for bad  
I've come to play with fire  
Yo

My mother always told not to play with fire  
I represent the ice, cold blizzard v. fire  
And everybody knows that we don't fear fire  
I'm standing on the stage and I'm right near fire

My mother always told not to play with fire  
I represent the ice, cold blizzard v. fire  
And everybody knows that we don't fear fire  
I'm standing on the stage and I'm right near fire

Eskiboy, yo  
It's Wiley again  
None of you better not try me again  
We don't see you in the hood much  
So you're not going on grimey again  
Top gear, you will see me in a lambo  
Money up, everything tidy again  
Watch this, I know this flow so well  
Makes me remember I'm Wiley again  
Might swing by the river with your wifey again  
Hold on, I've done it all, right at the start  
And I'm still smart, money up, high in the end  
Trust, I'll get it all right in the end  
Eskibeat Recordings' the new label  
[?] Wiley again

Stripes I've rated highly again

My mother always told not to play with fire  
I represent the ice, cold blizzard v. fire  
And everybody knows that we don't fear fire  
I'm standing on the stage and I'm right near fire

My mother always told not to play with fire  
I represent the ice, cold blizzard v. fire  
And everybody knows that we don't fear fire  
I'm standing on the stage and I'm right near fire

Come here with fire  
This name is spreading in entire clique  
Clipping, I want my [?]  
But more time, I'm sitting on the car and jam with a chick  
That's playing with fire  
When the chick that I'm chilling with ain't my own chick  
And I know that my girl could spin around the corner  
In her own fear, stunting a bit  
That's bait, I know that it's bait

But playing with fire feels great  
When I get loads white from the lowest price  
And me and her arrange a meeting at eight  
I said "what? Like a date?"  
She said "nah, I'm giving you the pussy in a plate"  
But I mean I know about plate  
But she get out the pussy and you know me, I take

My mother always told not to play with fire  
I represent the ice, cold blizzard v. fire  
And everybody knows that we don't fear fire  
I'm standing on the stage and I'm right near fire

My mother always told not to play with fire  
I represent the ice, cold blizzard v. fire  
And everybody knows that we don't fear fire  
I'm standing on the stage and I'm right near fire

Live wire  
Play with fire till I retire  
Always been a rebel, rude [?] Devil  
Evel Knievel, the sequel  
Mummy said don't play with fire because that leaves the evil  
Always been the hard days, I've been like this for years  
Never listen to my mum and I know it brings her tears  
I'm like, just cool mum, everything's cool mum  
Big money sound and you know that it's true mum  
And you never so celebrate how we regulate  
Thanks to the father, also you mum  
Fire, I've been burning everyday, anyway  
Check the Rastaman around the way the other day  
Fire's for the [?]  
I'm like, dun know say

My mother always told not to play with fire  
I represent the ice, cold blizzard v. fire  
And everybody knows that we don't fear fire  
I'm standing on the stage and I'm right near fire

My mother always told not to play with fire  
I represent the ice, cold blizzard v. fire  
And everybody knows that we don't fear fire  
I'm standing on the stage and I'm right near fire

I never, me come for bad  
I've come to play with fire  
I never, me come for bad  
I've come to play with fire  
I never, me come for bad  
I've come to play with fire  
I never, me come for bad  
I've come to play with fire
