

Aw you see when something happens yeah  
You know everything happens for a reason innit  
So you know when something happens, it happens for a reason  
You know that innit Rascal  
It all happens for a reason, just brush your shoulders you get me  
Hello hi, hi  
It all happens for a reason just brush your shoulders you get me, you get me  
Hello we're rollin' deep, yo

I know you hate me, cause of what happened now its all changed  
And I'm not saying you should like me cause I won't change  
And I'm not trying to be rough now I'm just holding it down  
You know that life is messy see it can go up and down  
I know you hate me cause I was just being a wiley yute  
You shouldn't think I'm sick, I'm normal I'm very real (real)  
I know you hate me cause you thought I was going on grimey  
You shouldn't think that I was just showing a little love, I'm real (i'm real)  
I wouldn't do anything directly at you, come on this is me we're talkin' bout  
I'm just me I'm rowdy powdy and you know I wouldn't hurt you on purpose  
Come on this is me we're talking about I'm not here for that purpose  
And I wouldn't do anything against you it was just you and me rollin' deep  
Me and her that was just some next thing  
And I wouldn't do anything to stop your career, you can still be here  
A boy is a boy and a gal is a gal I swear

Hate is a strong word  
Think why do you hate me  
I'm not against you, I'm not against you  
If it happens, then it happens for a reason  
It must of, it must have happened for a reason  
It must of happened for a reason  
Hate is a strong word

I know you hate me cause I go on every station, it's OK  
I don't wanna be tied down to just one station, it's OK  
I know you hate me cause you think I write lyrics  
And I aimed them at your crew (crew)  
Come on blood, that's not true  
Cause I know who is who and I know where I'm from  
And I know I am me and I know you are you  
So you should know who is who and you should know where your from (from)  
And you should know I am me and you should know you are you  
You got to understand we are always gonna do our thing  
You must understand we're not trying to be better than you  
You must understand I'm just trying to make some money man  
You've gotta understand I'm not watching anybody's plans  
We've got our own plans, I'm not gonna sit here and watch it fail  
We've got our own plans, me and Roll Deep see clear  
We got our own plans, don't be pulled by rumours that you hear we've got our own plans

And right now my time is coming near  
You shouldn't
