We can be the future if you really wanna go in (Uh)
I'm forever blowing through the middle night (Through the middle night)
Girls say I party like a rockstar (Rockstar)
Let me correct them - I'm a popstar (I'm a popstar)
Popular tell 'em I got a vibe, it's a magic one
I'm a regular, the hilt and the [?]
Hoping I can fly to the top
I'm a brand, decide what you want
'Cause in 48 hours I'll be assigned to a job
Big money one, and you'll be saying "Ky, you forgot" (You forgot, how?)
Got a couple o's, looking nice, not (Nice)
If I get a deal, I'm going, I'll be saying "why not?" (Why not?)
We can corner it, just me and my lot (My lot)
Just give me the freedom, see if I flop

Not a chance
Why? 'Cause I'm ready
Got a couple new styles that are heavy
Not a chance
I ain't gonna flop now
I ain't Bebop, but I rock steady
I rock steady
Rock, I rock steady
I rock steady
Rock, I rock steady
I rock steady
Rock, I rock steady
I rock steady
Rock, I rock steady

I rock steady
Throwing them berries
I like to see the ladies look ripe like cherries
Party animal, my vibes like electric
I hit the stage and start going on hectic
Listening to one of my zip files on the iPod
Two legs, not three like a tri-pod (Tri)
People might be thinking "wow, this guy is odd"
But I still got it going on, I'm an icon (I'm an icon)
I like the shape of pyramids, we all do (We all do)
