We got Brazen, Manga. Yeah. I'm sick. Boy. Stuff in the fingers.
I'm so amazing, I come through blazin' (So amazing)
Tazer, I'm tazing, watch your crew gazin'
Remember me, the one that you were chasing
Yeah now I'm back, 'cause the roof needs raisin'
Eyes wide shut like a zoot I was takin'
Plus my grooms fired for G's getting taken
I know before I was safe as eyes
But I ain't no prick, I will break you, nah
I'm... so amazing, I'm so amazin'
Look at what I'm making, times they are changin'
I can do a pain in a perfect picture
The difference is I'm real, not fakin'
Do so much work, in my bone, in my body, it's achin'
Let's not forget that I'm agin'
I'm lookin' for the bigger boy wages
Lookin' right paid, cause I paid this, but I need wages

(So amazing) (2x)
Yeah. You know them promoters's ringing me up, like, they want cheap...
Cheap fees. Want me to play at the dance for like next to nothing. I can't d

I'm sorry for the for the five minutes she was waitin' outside the station,
but she was patient
Now it's getting darker, darker than the level of the roads of London, it's
a bad three chases
Guns do faces, girls do faces, meet demon and beat him in the face
Have a go, ?, champagne, lemon seas and I'm raving (So amazing)
It's not one leg, it's three that I'm shakin', shake a leg and draw organs I
 start late, and so
If you're single, let's mingle, I won't swing to your brain
Let's make it simple and plain, 'cause I'm from the drain, I've felt so much
 pain, I won't love a game 'till you know what I'm on...

(So amazing)
Nothing at all. Eskiboy. Yeah. Roll deep, roll deep, roll deep, crew roll de
ep.

I'm so amazing, I shoe along, watching three-
four wifes 'cause I can't smoke faithful
Creep for the night, like a 24 hour agin'
It's so blatant, these girls are takin'
Score the ready in the ?
Maybe it's the piss that I'm' takin'
Onto you what ? Jamaican
Shut your hold up, ? ragin'
With the whole sake, the MC's are blazin' (So amazing)
The MC's are finding their promoter
Wages? I don't wanna sit and chat shit
I want wages, got so much lemony life in the yellow pages
Which is why animal's is locked up in cages
I'm not ?

You can't pretend that everything's cool, you fully well know it's not.
'Cause these label's taking man for a fool, and got the grain for what?
You can't tell me Jack, I've got my own back, like stop that, start that, wh
at?
So just pass the ball, I'm on
Side of goal, should I pass, no, take a shot. So it goes like...
You can't pretend that everything's cool, you fully well know it's not.
