

# The Calling

Wiley

We all here  
We're hoodstars  
We're doing well  
We've got cars  
The [?]  
The pornstar  
The DvD's  
The rubbish on the floor  
We all here  
We're hoodstars  
We're doing well  
We've got cars  
The [?]  
The pornstar (Whoo)  
The DvD's (Kid)  
The rubbish on the floor

The DvD  
The weed's on  
You find these on the street bro  
My lifestyle and everybody knows  
We hold it up, we call it out like  
We out here  
We hood rich  
We getting by  
We run [?]  
The corner store  
The duplex  
The bootleg and barbwire fence  
The gulag  
The red lights, shine on every street sign  
A lifestyle, that you wouldn't know  
We hold it up, we call it out like  
Yeah  
Baby call us from the ghetto  
See me there  
Call it out, let me hear you say  
"Yeah, yeah, yeah, yeah, yeah, yeah"
