

I'm back on my shit
Do not make me flip
I'm a brick, I'm not in your life, I'm not in your mix
Man's on point, this is wavey, wavey, we don't need to fix
Or refix, I'm back on my shit
I'm back on my bricks
Got new tricks
If I play my cards right, I'll be running shit
This is it, broski this is it
I'm back on my shit
They don't know, I've been doing this, since I was a kid
I'm on tings, rolling with my scene, rolling with my kings

Could be feeling pissed in the fog of mist
Then my sis calls me, tells me straight, "get back on your shit"
Then I think, but now I've got kids, I can't say too much shit
Plus I've lived
Fuck it this is me now, I'm back on my shit
I must admit, could be feeling pissed in the fog of mist
Then my sis calls me, tells me straight, "get back on your shit"
Then I think, but now I've got kids, I can't say too much shit
Plus I've lived
Fuck it this is me now, I'm back on my shit

We do this for real, we do this for real
That's for real
We done this before, we done it with no deal
We could see, that in business, people don't care how you feel
Ain't no friends, people, they just want the best part of the deal
That's okay
Now when I do business, I don't take no talk
If you can't match my savvy with all paper, I will walk
This is life, this what they showed me, this what I was taught
This is life, this what they showed me, this what I was taught

Could be feeling pissed in the fog of mist
Then my sis calls me, tells me straight, "get back on your shit"
Then I think, but now I've got kids, I can't say too much shit
Plus I've lived
Fuck it this is me now, I'm back on my shit
I must admit, could be feeling pissed in the fog of mist
Then my sis calls me, tells me straight, "get back on your shit"
Then I think, but now I've got kids, I can't say too much shit
Plus I've lived
Fuck it this is me now, I'm back on my shit
