Tunnel Vision Volume 1

Yo
Let's go
Are they better than us? Not even blud
We're not even
And when the wars done we still won't be even
Me shook of your crew? I'm not even
I've gotta tell all my yutes in jail that think that Wiley's a
prick, I'm not even
I can make P's and we all like P's so
Please whatever you've heard blud don't even
Try to act up be cool, we're even
I'm not even here for long, I'm leaving
In four years time, I'll be swimming in the sea
And riding jet-ski's, cause now he's the number one geezer
Never left the hood, I've been living in a freezer
I hate everyone's wifey, wifey's a [?]
I'm not a dreamer, I can Roll Deep and [?]
I swear I've never been keener
If you don't like me, don't stick by me
Take a hike or I should knock you out, rightly
By rights I'm supposed to be a big baders
Papers, I should get payed 20 grand fortnightly
I might be the one with no label
But I'm able from the grave to the cradle
Me and Trim we're like Kane and Able
You can see us on digital and cable
