

Who's On Da Phone

Wiley

Yo
Cake and custard
Yo
Who's that calling your phone man?
No one man
Phone's always fucking ringing star

Who's calling you 1 in the mornin'?
It's my sister so why you moaning?
'Cause you're lying, that's why I'm moaning
You wouldn't like it when breh's are phoning me
At home, but then you start moaning
That weren't your sisters voice box tone
Yeah it was, but you you're just paro'
And what'd you know 'bout voice box tone?
Plus it's so rare that I don't come home
I won't hate you if a boy calls your phone
Yeah you will, you'll switch on a quick one
I won't switch, I'll just walk alone straight to the studio
And jump in my zone, 'cause I don't want to argue over no phonecall
Well then, tell that girl to stop ringing
'Cause she don't want me ringing her phone

And I'm, I'm all alone ('Cause I'll slap her down star)
He might be there but
He's always on the phone
Ooh, I know that there is something
[?] and I'm alone
He knows that I am crying
For him so why is he hurting me like this?

I don't get it, why we going through this?
Calling each other, it's bait, we both do this
You never knew this, but I'm telling you now, so I don't think that I can do
this
All week I've been out on the roads getting chirpsed and I think that I like
this new thing
Okay then, I ain't gonna lie, I got a new ting too
But I didn't start moving yet 'cause I weren't sure if it was over
Time's running out so I gotta start choosing
I said that before, you didn't choose though
I was really scared of me loosing
One, two, three, four, five, six thousand times that we've learnt lessons an
d we're still doing it
It's fucked (It's fucked)
When's he gonna stop? Don't know, keep moving (Don't know, keep moving)

And I'm, I'm all alone
He might be there but
He's always on the phone (Ooh)
Oh I know that there is something
[?] and I'm alone
He knows that I am crying
For him so why is he hurting me like this?

Ooh ooh ooh oh ooh
Ooh ooh

Ooh ooh
