

Worth It

Wiley

Oh my love's nothing without you, baby
No one can replace you, baby
Everything you do's so wavy
Mash up real good, no gravy

Oh, had to lock it
I can't deny that we're more than just friends
Oh, where do I begin?
I love everything about you from your skin
Raw, like your beauty's a ten
You got it hands-down, I cannot pretend
Heart, got it open again
See, love without you, baby, just like a sin

Yeah, ooh na na, yeah
Ooh na na, I'd be lying if I said you weren't worth it
You know what you deserve
I got it bad for you
Do anything you want me to
You make me wan strip for you
Strip for you
Strip for you, you, you

Yeah, ooh na na na, yeah
Ooh na na, I'd be lying if I said you weren't worth it
You know what you deserve
I got it bad for you
Do anything you want me to
You make me wan strip for you
Strip for you
Strip for you

Baby girl, you know I'm worth it, I'm worth it
For your loving I was searching, searching
For your trust I was working, I was working
She told me I won't get it until I deserve it
Now I deserve it
The way she give it to me, haffi give her ten stars
She love fi ride bike and she love fi drive cars
She love fi travel with me, whether near or far
Fi real

Baby girl, you know I'm worth it, I'm worth it
For your loving I was searching, searching
For your trust I was working, I was working
She told me I won't get it until I deserve it
Now I deserve it
The way she give it to me, haffi give her ten stars
She love fi ride bike and she love fi drive cars
She love fi travel with me, whether near or far
Fi real

Fi real
Whether you're near or far
Promise to me you got my back
Hold you down and I'm loyal
Don't watch the crowd, they're envious, boy

(Yeah, yeah, yeah, yeah, yeah)
Tell me what you wanna see, mama gonna spoil ya
(Yeah, yeah, yeah, yeah, yeah)
I didn't come to play around, work it like a soldier

Yeah, ooh na na na, yeah
Ooh na na, I'd be lying if I said you weren't worth it
You know what you deserve
I got it bad for you
Do anything you want me to
You make me wan strip for you
Strip for you
Strip for you, you, you

Yeah, ooh na na na, yeah
Ooh na na, I'd be lying if I said you weren't worth it
You know what you deserve
I got it bad for you
Do anything you want me to
You make me wan strip for you
Strip for you
Strip for you
