Yo

Tell me where you headed, can I walk with you girl? (Eskiboy)  
You got that look in yo eyes, that look like you give yo boy a here good ol'  
time  
And I'm on it girl  
That's right I'm on it girl  
I'm on it  
Say what yo name is (It's Eski)  
Ooh yeah that fits you girl (Tunnel Vision Volume 1)  
Tell me where you headed, can I walk with you girl? (Yeah)  
You got that look in yo eyes, that look like you give yo boy a here good ol'  
time (What, yeah, what, your name begins with an A yeah?)  
And I'm on it girl (Oh okay)  
That's right I'm on it girl (What's gwaning then?)

So what, so what  
Can I come to your house on a 108  
Life's getting hard, I really wanna run away  
Walk around, looking for the shade in the summer days  
So many wear in the world, so will you be  
Oh you're a beauty, I'll praise you daily  
Even on bad days, even on sad days  
Some days in life are just mad days  
I like living so I search for the glad days  
Me I want dough, not swag pay  
I wouldn't let you settle for side pay  
Money ain't always the root to evil  
It's got me, going to the bank on a swag day  
Retail therapy, buying all the clothes I like  
And we do the same thing, when you get paid  
So that keeps the rainy days, kway away  
To me, I'm just bubbling my days away

Say what yo name is

I can't lie no more  
What's the point in lying to myself  
Denying it's you that I'm onto  
Done the long ting, I wanna get close to you  
Like big people supposed to do

And when I think about it  
TLC's what I need, and I really can't live without it  
I wanna, roll with you, get dough with you  
And after the show, breeze and blow with you  
But, I don't wanna leave you and your bredrins  
No disrespecting, it's you that I'm checking  
And, what I'm saying is, I ain't playing  
I don't mind if you stay in and make kids  
I'll never lie to you and tell fibs  
We can settle down, you can even share where I live  
People are gonna hate, this is how life be  
Ain't afraid to say I'll make you the wifey
