

All For You

Wilkinson

Paper thin, not made of stone
Known to sting when you're not home
We don't build our kingdoms tall
To be ruins on the floor
I put my faith into something that was not real
I'm not faking, show me that I still feel
I can't mend myself alone
Won't you come and make me whole?

And I often wondered, would I ever feel the same?
I wanna love again
Like a prisoner, now won't you free me from this place?
Wanna love again
I'm still in pieces, tell me what you're gonna do
'Cause they're all for you
All for you, all for you
All for you, all for you

Pieces of my heart
Pieces of my heart
All for you, all for you
All for you, all for you

And I often wondered, would I ever feel the same?
I wanna love again
Like a prisoner, now won't you free me from this place?
Wanna love again
I'm still in pieces, tell me what you're gonna do
'Cause they're all for you
All for you, all for you
All for you, all for you

Pieces of my heart
Pieces of my heart
All for you, all for you
All for you, all for you

And I often wondered, would I ever feel the same?
I wanna love again
Like a prisoner, now won't you free me from this place?
Wanna love again
I'm still in pieces, tell me what you're gonna do
'Cause they're all for you
All for you, all for you
All for you, all for you

And I often wondered, would I ever feel the same?
I wanna love again
Like a prisoner, now won't you free me from this place?
Wanna love again
I'm still in pieces, tell me what you're gonna do
'Cause they're all for you
All for you, all for you
All for you, all for you
