

Break It Down

Wilkinson

Un-done
Take that hit, intergalactic
And we're long gone
Can't take no more
It's just one way we've got to escape to the unknown
Gotta lose it all
Jump into the deep end, overflow
Dive in until you reach that underworld
Lose it all
Flooding up your airwaves, drown it out
Sometimes when the high so hard, got to break it down

Got to break it down
Got to break it down

Sometimes when the high so hard, got to break it down
So hard got to break it
So hard got to break it down

Gotta lose it all
Jump into the deep end, overflow
Dive in until you reach that under world
Lose it all
Flooding up your airwaves, drown it out
Sometimes when the high so hard, got to break it down

Got to break it down

Got to break it down
So hard got to break it
So hard got to break it down
Sometimes when the high so hard, got to break it down
