

Fade Away

Wilkinson

Don't fade away
I'm right here by your side
It's alright
Don't fade away
I won't walk away
It's alright
Keep your eyes on me
And don't look down

Don't fade away
Don't fade away

Don't fade away
I'm right here by your side
It's alright
I won't walk away
It's alright
Keep your eyes on me
And don't look down

Don't fade away
Don't fade away
Don't fade away
