

# Feel So High (& SHELLS)

Wilkinson

We're so beautiful, don't wanna lose this feeling  
I'm wide awake and dreaming  
Something to believe in  
Nothing makes me feel so high

Nothing makes me feel so high  
Nothing makes me feel so high  
Lately, I have realised  
So high  
So high  
So high

Nothing makes me feel so high  
We're so beautiful, don't wanna lose this feeling  
I'm wide awake and dreaming  
Something to believe in  
Nothing makes me feel so high  
Nothing makes me feel so high  
Nothing makes me feel so high  
Lately, I have realised

Nothing makes me feel so high  
Nothing makes me feel so high  
Nothing makes me feel so high  
Lately, I have realised

So high  
So high  
So high  
Nothing makes me feel so high

We're so beautiful, don't wanna lose this feeling  
I'm wide awake and dreaming  
Something to believe in  
Nothing makes me feel so high  
Nothing makes me feel so high  
Nothing makes me feel so high  
Lately, I have realised
