

Keep Dancing (& Amber Van Day)

Wilkinson

I climb the tallest mountain to breathe the freshest air
But I take the deepest breaths when I've got you here
I swam the bluest ocean to find some peace of mind
But there's no better calm when I look in your eyes
I don't wanna miss one more moment with
You (keep dancing, keep dancing)
You (keep dancing, keep dancing)

(Keep dancing, keep dancing) I want everything
(Keep dancing, keep dancing) and I found it in
You (keep dancing, keep dancing)
You (keep dancing, keep dancing)

Keep dancing, keep dancing
Keep dancing, keep dancing
Keep dancing, keep dancing
Keep dancing, keep dancing
Keep dancing, keep dancing
Keep dancing, keep dancing
Keep dancing, keep dancing
Keep dancing, keep dancing
