

Never B Mine

Wilkinson

You will never be mine like you wanna be
I took my sweet time tryna find a remedy
To make your heart sing sweeter than a symphony
But you will never be mine like you wanna be
You will never be mine like you wanna be
You will never be mine like you wanna be
You will never be mine like you wanna be

No you'll never be mine mine mine mine mine mine mine mine
No you'll never be mine mine mine mine mine mine mine mine
Mine mine mine mine mine mine mine mine
You will never be mine mine mine mine mine mine mine mine mine mine mine

It's time to let me go
A love that'll never grow
Caught it fast but the beat goes slow
No my mind won't change
It ain't fun till I'm playing games
Got a wild heart that can't be tamed

You will never be mine like you wanna be
I took my sweet time tryna find a remedy
To make your heart sing sweeter than a symphony
But you will never be mine like you wanna be
You will never be mine like you wanna be
You will never be mine like you wanna be
You will never be mine like you wanna be

No you'll never be mine mine mine mine mine mine mine mine
No you'll never be mine mine mine mine mine mine mine mine
