

On Your Mind

Wilkinson

These days, they got me searching far and wide
Oh I, oh I can't find no paradise
I wonder what is on the other side
And if you're there, is it me on your mind?

'Cause I still miss you
(Oh)

These days, they got me searching far and wide
Oh I, oh I can't find no paradise
I wonder what is on the other side
And if you're there, is it me on your mind?

'Cause I still miss you
(Oh)

'Cause I still miss you
'Cause I still miss you
'Cause I still miss you

'Cause I still miss you
'Cause I still miss you
'Cause I still miss you
(Oh)

These days, they got me searching far and wide
Oh I, oh I can't find no paradise
I wonder what is on the other side
And if you're there, is it me on your mind?
'Cause I still miss you
