

Take It Up

Wilkinson

Giving all that I've got
I can't get enough
I can feel the love

Giving all that I've got
I can't get enough
I can feel the love

We gotta take it up
We gotta take it up
Higher
We gotta take it up
We gotta take it up
Higher
We gotta take it up
We gotta take it up
Higher

Higher

We gotta take it up
We gotta take it up
Higher
We gotta take it up
We gotta take it up
Higher

I can't get enough
I can feel the love

We gotta take it up
We gotta take it up
Higher
We gotta take it up
We gotta take it up
Higher
We gotta take it up-up-up
We gotta take it up-up-up
We gotta take it up
We gotta take it up
We gotta take it up
Higher

Higher

We gotta take it up
We gotta take it up
Higher
We gotta take it up
We gotta take it up
Higher

We gotta take it up
We gotta take it up
Higher
