

This Moment

Wilkinson

I've been waiting all my life
For this moment
Now the time has gone, there ain't no holding back
I've been waiting all my life
For this moment
Now the time has gone, there ain't no holding back
I've been waiting all my life

I've been waiting all my life
For this moment
Now the time has gone, there ain't no holding back
I've been waiting all my life
For this moment
Now the time has gone, there ain't no holding back
I've been waiting all my life

Life fading
Embracing
Was heavy for so long, oh-oh
But I'm back again
I could swear I'm weightless
I want to feel it on and on

I've been waiting all my life
For this moment
Now the time has gone, there ain't no holding back
I've been waiting all my life
For this moment
Now the time has gone, there ain't no holding back
I've been waiting all my life

I've been waiting all my life

I've been waiting all my life
