

Falling In Love

Will Downing

Here I go once again
It's happening what can I do?
Though I try real hard, I can't resist
Your tenderness keeps drawing me closer to you
The gentle way you touch my face
And how you speak and call my name
Let's me know that there's no need to fear
You always here and I'm falling babe yeah
Feeling a spark deep inside of my heart and I want you babe
(I'm falling in love with you)
Starting a fire of burning desire yes I'm falling babe
(I'm falling in love with you)
Feeling as high as the stars in the sky when I'm with you babe
(I'm falling in love with you, I'm falling)
Falling in love
Be still my heart, don't beat too fast
I feel like I'm gonna lose control
I'm not usually the one that's so emotional
And feeling the way that I do
So suddenly, she captured me
She stole my heart and won't let go
But it feels so good to finally see
What love can be and I owe it all to you
Feeling you smile deep inside of my heart and I want you babe
(I'm falling in love with you)
Starting a fire of burning desire yes I'm falling babe
(I'm falling in love with you)
Feeling as high as the stars in the sky when I'm with you babe
(I'm falling in love with you, yeah)
Falling in love
I'm trying to speak straight from my heart
So much to say, I don't know where to start
All I know is that I'm crazy, crazy for you
You're that special someone right out of my dreams
You opened my eyes you made me believe
I could fall in love with you, yeah yeah
Feeling you smile deep inside of my heart and I want you babe
(I'm falling in love with you)
Starting a fire of burning desire yes I'm falling babe
(Ooh, I'm falling in love)
Feeling as high as the stars in the sky when I'm with you babe
(Ooh, I'm falling, falling, falling, falling yeah)
Falling in love
Feeling you smile deep inside of my heart and I want you babe
(Ooh, yeah, yes I'm falling in love with you)
Starting a fire of burning desire yes I'm falling babe
(I'm falling in love)
Feeling as high as the stars in the sky when I'm with you babe
(I'm falling in love babe)
Falling in love
Feeling you smile deep inside of my heart and I want you babe
(I'm falling and falling in love)
Starting a fire of burning desire yes I'm falling babe
(I'm falling in love)
Feeling as high as the stars in the sky when I'm with you babe
(I'm falling in love with you, yeah)
