

I'd Be Lying

Will Hoge

I think about my future
I think about my day
I relive little victories
And I contemplate mistakes
I think about the good times
And in my head, I sing
You know when my mind gets going
It's a million different things

But I'd be lying if I said I didn't think about you
I keep on pretending but it ain't the truth
I stayed up all night night with the living proof
I'd be lying if I said I didn't think about you

I think about my family
And where the years have gone
I dream about that sunrise
When we stayed up all night long
In those lawn chairs in the desert
Beneath that Arizona sky
I try keeping myself busy
Just to keep you off my mind

But I'd be lying if I said I didn't think about you
I keep on pretending but it ain't the truth
I stayed up all night night with the living proof
I'd be lying if I said I didn't think about you

I tried rock n roll and old guitars
Cigarettes and late-night bars
Doesn't really matter what I try
Because honey I

I'd be lying if I said I didn't think about you
I keep on pretending but it ain't the truth
I stayed up all night night with the living proof
I'd be lying if I said I didn't think about you

Yeah, I'm lying here just thinking about you
