

Hey You

will.i.am

Hey you, you in the mirror on the wall
Yes you, will you listen after all
I've been hurt, see my wound

But tonight I wanna sing, I wanna dance under the moon
Yes tonight I'm gonna sing, I'm gonna dance
I'm gonna be happy

Hey you, don't pretend that you don't care
Yes you, you've been tripping here and there
And I've been used, been abused

But tonight I wanna sing, I wanna dance, there's no excuse
Yes tonight I'm gonna sing, I'm gonna dance
I'm gonna be happy

Hey, hey, hey you

Yeah you, you in the mirror in the wall
Yes you, will you listen after all?
I've been hurt, see my wound

But tonight I wanna sing, I wanna dance under the moon
Yes tonight I'm gonna sing, I'm gonna dance
I'm gonna be happy
