Nothin' I won't try once typa girl  
Well maybe not coke.....Cuz? I'm dope already!  
Lyrics sharp like darts and cut like machetes, and I'm rockin? the shit steady  
Like no doubt, the show sold out,  
They know how I rolled in when I roll out  
Black Eyed Pea, L- why- T  
Slide through the door leave the track breezy its easy  
They used 2 tease me now they wanna be me  
Lytes in the building of course I'm back  
Get that booty stuck like a culdisak  
I'm the all knowing like an almanac  
And though ya boy keep callin' I ain't callin' em back! Uh Uh  
This is how we roll, when we mash out  
Its no time 4 tantrums  
I called Lyte so we could mash out  
I swooped her up and then we mashed out  
We stepped in the club 2 turn the party out  
I took sum clix and poked my ass out  
This is how we roll, when we mash out  
Its no time 4 tantrums  
On and on on on and on and  
On and on on on and on and

Fergie Ferg from tha burbs keepin shit flya then birds  
Conseirge vallet pullin' right up 2 tha curb  
I stepped in the door, I said it so listen  
Me and MC Lyte takin' you out on a mission  
Like a space shuttle, me and my girls huddle  
Get back to the crib, bathtubs filled with bubbles  
Champagne, caviar, for Hollywood rockstars, back on the road  
Limos with full bar  
F-E-are-G-I-E F-E-are to the G  
(Will.I.Am)

Fergie Ferg rock hard most definitely on the M-I-see with L-why-T  
I called Lyte so we could mash out  
I swooped her up and then we mashed out  
We stepped in the club 2 turn the party out  
I took sum clix and poked my ass out  
This is how we roll, when we mash out  
Its no time 4 tantrums  
Hold it now, hold it now, hold it wut wut  
Hold it now, hold it now, hold it now hold it wut wut  
Hold it now, hold it now, hold it now hold it wut wut

Hold it now, hold it now, hold it now hold it wut wut

To all the cool chickies  
Center stage on the mic  
We putting it on wax  
It's the NEW stuff  
4 and 3 and 2 and 1  
And when I'm on the mic  
The honeys come  
I shoot the shit without a gun  
The rhymes I rock are more than action  
Nothing but that, that satisfaction  
Action packed like actor Jackson  
Stand back, yeah here come the blastin'  
Blastin' from no other than Will.i.Am  
This is how we roll, when we mash out  
Its no time 4 tantrums  
On and on on on and on and  
On and on on on and on and
