will.i.am

Pull up on ya, baby  
Pull up, pull up on ya, baby  
Pull up, pull up on ya, pull up on ya  
Pull up baby, pull up on ya

Pull up baby, pull up on ya  
Pull up baby, pull up on ya

Take me out, out of town  
I don't care where we go  
I've been down, down and out  
I've got to read my soul

I'm staring out on the town  
That is the remedy  
Let's go traveling round, windows down  
I just got to be free

Baby, let me pull up on you  
You could pull up on me  
I pull up in that AMG  
Baby, let me pull up on you  
You could pull up on me  
I pull up in that AMG  
Pull up

Pull up on ya, baby  
Pull up, pull up on ya, baby  
Pull up, pull up on ya, pull up on ya  
Pull up baby, pull up on ya  
Okay, baby baby pull up  
Pull up baby baby pull up  
Pull up on ya, pull up on ya  
Pull up baby, pull up on ya

Pull up on ya  
Let's go zooming through California  
Cruise PCH like a foreigner  
Drop-top Autobot transformer  
In the whip, make it drift like skeet  
No slow mode, torpedo speed  
Turn the boat into Mercedes  
The infos were like AMG

We win, we D-R-I-V-I-N-G, yeah  
Yeah, we been zooming down them streets  
Baby, go dark speed like you Lewis Hamilton  
Make me feel ecstasy

Here we go, that beat though  
Fast and furiously  
Hit that cruise control, take it slow  
I just got to be free

Baby let me pull up on ya  
You could pull up on me  
I pull up in that AMG

Baby let me pull up on ya  
You could pull up on me  
I pull up in that AMG  
Pull up

Pull up on ya, baby  
Pull up, pull up on ya, baby  
Pull up, pull up on ya, pull up on ya  
Pull up baby, pull up on ya  
Okay, baby baby pull up  
Pull up baby baby pull up  
Pull up on ya, pull up on ya  
Pull up baby, pull up on ya

Pull up baby, pull up  
Pull up baby, pull up  
Pull up baby, pull up  
Pull up baby, pull up on ya

Pull up on ya, baby  
Pull up, pull up on ya, baby  
Pull up, pull up on ya, pull up on ya  
Pull up baby, pull up on ya
