

# Bulletproof

Will Smith

I've been a desperado now, y'all know what I know  
When I say I'ma do it, no, it's not hollow  
January to Christmas, I be standin' on business  
Number one on the hit list, get you on Joker's hit list  
When I shoot, I never miss, it's like high noon  
Raining truth on these fools like a monsoon  
When I walk into a room, it's like a typhoon  
Real clear when I show up, really, who's who

In your favorite car, seven hundred horses  
A lone ranger born with my torch lit  
Black Air Forces, better we join forces  
You got a knife, this a gun fight: choices  
I feel like I'm a outlaw (Lawless)  
I feel like I'm without flaws (Flawless)  
Bounty on my head, y'all better send your hardest  
'Cause I dance in hell and high waters

Well, I got the keys to heaven  
But I know things in hell  
Well, I give my life for something  
But my soul just ain't for sale  
I'm bulletproof (I'm bulletproof)  
I'm bulletproof (I'm bulletproof)  
I'm bulletproof (Oh)  
I'm bulletproof

Yo, settle down, a preacher's about to preach (Preach)  
Got long arms, ain't nothin' I can't reach (Reach)  
Been through it all, now I'm ready to teach (Teach)  
When to check a joker, when to stay in your seat  
Yo, it's hard bein' a gunslinger  
Bein' trapped is out of fun, singer  
For three decades, I've been a sun bringer  
You can sum me up on just one finger

Pick one, anyone, they all apply to me  
Whatever finger you pick just don't lie to me  
'Cause if we friends you flip and do something fly to me  
My body might stay but you can say goodbye to me  
Disloyalty to me is like a robbery  
'Cause when I love you, it's like you hit the lottery  
I am invincible, I am the anomaly  
Whole world against me, and it ain't even bothering me

Well, I got the keys to heaven  
But I know things in hell  
Well, I give my life for something  
But my soul just ain't for sale  
I'm bulletproof (I'm bulletproof)  
I'm bulletproof (I'm bulletproof)  
I'm bulletproof (Hey)  
I'm bulletproof (Hey)

Ooh  
Ooh  
Oh-oh

Oh-oh  
Ooh  
Ooh  
Oh-oh  
Oh-oh

Well, I got the keys to heaven  
But I know things in hell  
Well, I give my life for something  
But my soul just ain't for sale  
I'm bulletproof (I'm bulletproof)  
I'm bulletproof (I'm)  
I'm bulletproof (I'm bulletproof)  
I'm bulletproof (Hey)
