How Da Beat Goes

Will Smith

It's all night
And it's all right
Til the sunlight
This is how da beat goes on
Big Will
Tra- Knox
So hot
This is how da beat goes on
Poppin
Rockin n
Stompin
This is how da beat goes on
Big Will
Tra- Knox
So hot
This is how da beat goes on

It's the bizzi wizza
Jizzi wizzil
Bizon wizzay
Wizzat fizzil

Back again but with a couple of friends
Thought my reign would end well now I'm rubbin it in
I'm back yes yes yallin
Back again ballin
Out for a couple of years thought I had fallen
You seen me with denzel and russ crowe
But yo the movies just a chick on the side I'm in love with the flow
Time off to be an oscar nominee now
Back to the M-I-C to emcee now
Rockin the ol heads blazing the youth
Only rapper had the president raising the roof
Check the tape checkmate
Its one mission
Make your move
Don't fight submission
To dawn to dusk
We on a truss
Just don't miss the bus
To jam on with us
Come on

Its all night
And it's all right
Til the sunlight
This is how da beat goes on
Big Will
Tra- Knox
So hot
This is how da beat goes on
Poppin
Rockin n
Stompin
This is how da beat goes on
Big Will
Tra- Knox

So hot
This is how da beat goes on

This is
How the
Beat goes on and on and on and
Me and Tra-Knox keep keepin it on an
Jokers ain't stop until the mornin'

So

Every everybody come feel this
This union this spirit
Created from the soul oh yeah
It's big will (who else)
And Tra-Knox keepin it real
Tearing up the club
We got what you want
So you cannot front
Everybody get on the floor

Yo we aint stoppin til the mornin
Me and Tra Knox keep keepin it on an (keep keep on)

If it's all nite
and it's alright
in the sunlight
This is how da beat goes on
Big Will
Tra- Knox
So hot
This is how da beat goes on
Poppin
Rockin n
Stompin
This is how da beat goes on
Big will
Tra- Knox
So hot
This is how da beat goes on

A hip hop superhero
A ?
Cape or a suit
Hit the studio
Every year or so
And escape with the loot
On my down time straight to the links
I could pack a dance floor a movie theatre or truck from ?
On Christmas - mom and wife douse em with ice
Aol - search will smith thousands of sites
And at the club - hands clappin toes tappin
Sucka im the greatest thing ever happen to rapping (in ali voice)
Best shape of my life destined to show ya
No scrapes or fender benders lead the game total
Free don't move hip hop mogul
Philly aint happy I
I be the guy to go
The guy to go
You know the go to go
The mega man that got the whole crew like
Damn will done did it again
He done stepped up to the plate and he done hit it again

Yo get them hands up
Throw your hands up
Wave em like you don't care
You like the sound
Then let me hear you say

If it's all nite
and it's alright
in the sunlight
This is how da beat goes on
Big Will
Tra- Knox
So hot
This is how da beat goes on
Poppin
Rockin n
Stompin
This is how da beat goes on
Big Will
Tra- Knox
So hot
This is how da beat goes on
