

# Scream

Will Smith

Yeah Yeah Hell Yeah  
Come on  
So all you people on the left  
(Are you ready to rock the house)  
People on the right  
(Are you ready to rock the house)  
People up front  
(Are you ready to rock the house)  
Man in the back  
(Are you ready to rock the house)  
Well say Ho (Ho)  
Say ho ho (ho ho)  
Say ho ho ho (ho ho ho)  
Now Scream  
Mic check  
Are you ready yet  
Well get set  
'cause I'm about to jet like a corvette  
With the quickness snap it like a whip  
It's a sickness that's making my rhymes rip  
Peddle to the metal  
94 octane  
Flow like the rain  
And I aim to entertain  
Like it or not  
FP wont stop  
Because I'm the cream of the crop  
So sss hot  
Up and down they go just watch them  
Up and down they go (Jump, Jump)  
And as they go  
Well I'm a show  
Them that I can flow  
But homie should I stop though?  
Hell No  
But no wait ah ah until the end I  
Kick the volume pump the adrenaline I  
Watch the crowd sway  
Every time we play  
Each and every day  
We make the crowd say  
Ho (Ho)  
Say ho ho (ho ho)  
Say ho ho ho (ho ho ho)  
Now Scream  
Once again I'm in the house  
When I be rippin it  
The crowd be kickin it  
This boy's bad  
With a pen and a pad  
Records selling like mad  
People thought it was a fad  
Cause back in the day some folks weren't with it  
What's this rap thing? They just ain't get it  
They didn't understand, they didn't quite see  
It's all about adrenaline, straight up energy  
So everybody say hey (hey)

So everybody say hey (hey)  
I wanna rip it J  
Well homie go ahead man  
I wanna rip it J  
Well homie go ahead yeah  
Yo a super dooper  
Party trooper  
Never been a party pooper  
Heart breakin  
Money makin  
Man they get them parties shakin  
Music pumpin  
Crowd is jumpin  
Giving people what they want  
And always rhymin all the time and check it  
Yo and now  
I wanted to make up a record that I could just rock at  
the ??? of the time  
I wanted to make it so funky that it would just stick  
in the back of your mind  
I wanted it simple so people could sing it and dance  
while their bopping their heads  
So gimme the uh gimme the uh gimme the uh gimme the uh  
Yeah  
That's the way ah ha ah ha I like it ah ha ah ha yeah  
Let it go yo  
The boys are all pro  
So get on the floor right now and let me hear you say  
ho (ho)  
Say ho ho (ho ho)  
Say ho ho ho (ho ho ho)  
Now Scream  
Come on all the ladies in the house  
All the pretty young ladies in the house  
Let me hear you say aahh owww (aahh owww)  
Come on say aahh owww (aahh owww)  
Homeboys make some noise let me hear you say Yeah  
(Yeah)  
Say hell yeah (hell yeah)  
Now scream  
For years they been tryin to figure out how to stop the  
prince  
They say that im conceited but I'm not it's just  
confidence  
Rougher than an outlaw quicker than the flash  
For records to movie to TV I'm grabbing cash and I'm  
dashing  
The P [R] I (n) C (E)  
With the fresh on the front  
And I'm a give you what you want  
Step on stage and just rip it as I laugh  
Tear down the house leaving lookin like backdraft  
All night I'm on the flow on  
And I'm a go on  
On the stage  
In a rage  
I'm a flow on  
You read the billboard then I'm sure that you know  
The riggidy riggidy rhymes are riggidy rhyme and climb  
to uno  
Uh uh uh yo don't don't don't  
Jeff will we be taking out?  
(No, no, no)

The only other crew that play the way that we play  
And all day, everyday, we play to make the crowd say  
Ho (Ho)  
Say ho ho (ho ho)  
Lemme hear you say ho ho ho (ho ho ho)  
Now Scream  
Come on say Ho (Ho)  
Come on say ho ho (ho ho)  
One more time say ho ho (ho ho)  
Now scream  
It's hot y'all  
You don't stop y'all  
I keep on  
Till the break of dawn  
It's like a little boy blue blowing on his horn  
Its like a daylight dance marathon  
It's like a grasshopper hopping on the morning lawn  
And you know it's got to be  
You know it's got to be  
You know it's really, really, got to be  
Now you know it's got to be on  
Yeah
